POLICE OFFICERS STATEMENT:

On the above date and time while assigned to Car 5, I was assisting Sgt. Golner on an incident, which occurred on 129 Westford Street apartment #6. Sgt. Golner was attempting to locate a suspect due to some cocaine confiscated at 129 Westford Street apartment #6. The suspect, a Colombian native was to be found at 11 Payne Street, an automobile dealership. Sgt. Golner then observed the 129 Westford Street suspects' motorvehicle (a gray Buick Century Ma. #2397-ZL) parked on Payne Street. We then walked to 11 Payne Street and observed the above listed defendant speaking to another Hispanic male in the lot. We then asked the listed defendant for a positive identification, in which he produced a Mass. identification & a Puerto Rico identification. As I spoke to the defendant I noticed that he was not of Puerto Rican descent, but of Colombian descent. As this time I noticed that this was not his true identity. We then had the witnesses from 129 Westford Street (see report # 02-18438) come to 11 Payne Street to attempt a positive identification. The witness then stated that the above listed defendant was the 129 Westford Street suspects' best friend. The listed defendant continued to lie to these Officers. We then asked the listed defendant if the suspect was in the automobile dealerships trailer and received confusing statements from him. I then walked by the trailer and observed a set of motor vehicle keys that belonged to a Buick on the floor, near the threshold of the trailer. I then check the keys to the 129 Westford Street suspects' vehicle and learned that the set of keys belonged to the owner of the vehicle (gray Buick Century Ma. #2397-ZL). At this time Officer Quinones and I searched the trailer for the 129 Westford Street suspect. As we did the search for the suspect I observed in plain view a clear plastic bag containing a tan substance, which through my training and experience recognized as the substance to be raw heroin, which was located in an open cabinet. I then notified Sgt. Golner of the heroin and the above listed

defendant was placed under arrest for the above listed charge. I also confiscated \$1,505.00 in U.S. currency from the defendant's right pants pocket in which I formed the opinion that it was earnings from narcotic sales. The defendant was then transported to the station via the Police wagon. The automobile dealership was then secured by car #7, Officer Perry. Detective Lessieur then took photos of the opened cabinet containing the heroin. I then retrieved the heroin, and it was tagged along with the \$1,505.00 in U.S. currency found on the defendant, and it was placed inside the evidence locker per department policy.

NARRATIVE:

On 9-28-02, at approximately 1:52 PM, Lowell Police Officers J. Rivera, Quiñones, and Sgt. Colner arrested the above listed defendant at 11 Payne Street for Trafficking in Heroin (see report #02-18436). As a result of this arrest, the Special Investigations Section applied for a warrant for 11 Payne Street. At that time 11 Payne Street was secured by Officers Ferry and Treasant in anticipation of a warrant.

On 9-28-02, at approximately 8:15 PM, we then traveled to 11 Payne Street to execute the warrant. During our search of 11 Payne Street the following items were seized and placed into evidence.

Found by Det. Ahern from the Chelmsford P.D. in a hole on the floor a black bag containing another clear bag with white powder (66.8 grams) that through our training and experience recognized as Cocaine another bag with brownish powder (40.5 grams) recognized as Heroin.

Found by Officer Ferry in a cabinet located above the desk was a container containing several clear bags one of which contained 10.9 grams of brownish powder that through his training and experience recognized as heroin.

Found by Det. Figueroa was paperwork believed to belong to the defendant inside of the desk draw in the name of Pedro Gustavo. It should be noted that I ran Det. Colon's prints through the FBI fingerprint analysis section and they found that the defendants prints are identical with Pedro Alberto Mairanda. Under this name it shows that the defendant has been arrested in Florida by the DEA and in New York by the FBI both on narcotics charges. Up until this time Det. Colon has refused to identify himself with his true birth name and at this time we are attempting to gather this information.

AFFIDAVIT OF WILLIAM J. SAMARAS

I, William Samaras, being duly sworn, hereby depose and state as follows. I am a Police Officer with the City of Lowell Police Department. I have been a Police Officer in the City of Lowell for the past six years. I am currently assigned as a Detective with the Special Investigations Unit, under the supervision of Sgt. James Trudel, whose experience in narcotics investigation, is in excess of ten years. One of the responsibilities of the Special Investigations Unit is the investigation into violations of the controlled substance act. During the time I have been assigned to the SIU, I have been responsible for investigating both street level and illicit narcotics distribution operations. I have participated in the execution of search warrants where controlled substance were seized, and suspected narcotics traffickers arrested. I have worked in an undercover capacity in the past, posing as a drug user whose intent was to purchase narcotics. I have also worked with confidential informants on numerous occasions in the past. Prior to my assignment as a narcotics Detective, I worked in the Lowell Police Department Juvenile Bureau. As a Detective in the Juvenile Bureau, I was responsible for investigating crimes involving children and young adults. These crimes include indecent assaults, child rape, robbery, burglary, and murder. I hold a Bachelor's Degree in Legal Studies from the University of Massachusetts in Amherst. I have received over eighty hours of narcotics training and twenty-four hours of Advanced narcotics training from the Federal Drug enforcement agency involving methods of distribution, identification, packaging of narcotics, and interview techniques. I have over forty hours of Counterdrug Investigation training from the United States Military Police school, and I have also received training from the National Technical Investigators Association. I have received an additional forty hours of drug training from HIDTA (High Intensity Drug Trafficking Area) in New York City, which was held by the DEA and New York City Police Department. I have been teaching a two-hour in service training class to fellow officers on the subject of basic drug identification and methods of distribution for the past six months at the Lowell Cross point towers.

1. On September 28, 2002 at 12:55 Pm a [REDACTED], walked into the Highlands Precinct and asked if they had a Spanish Speaking Officer available. He was then directed to Officer Jose Ramirez. Ramirez asked [REDACTED] what he needed to talk about and he stated that he believes that his roommate, a Raul Agudelo, is dealing drugs. [REDACTED] went on to say that he found a bag with white powder contained in it. [REDACTED] further stated that he found it in Agudelo's bedroom. [REDACTED] further stated that he was suspicious of Agudelo because he does not work, but he drives a car and is able to pay his bills. Officer Ramirez then notified his immediate Supervisor, Sgt Barry Golner. Ramirez was then able to ascertain that [REDACTED] lived at 129 Westford Street, [REDACTED], along with Raul Agudelo, in Lowell Massachusetts. Ramirez then asked if [REDACTED] could show him what he had found. At this time, Ramirez, Officer Borret, and Sgt Barry Golner accompanied [REDACTED] to 129 Westford Street, [REDACTED]. Once in the apartment, [REDACTED] directed the Officers to

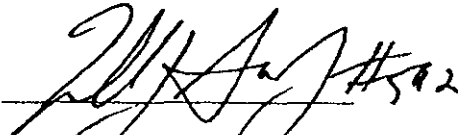

Agudelo's bedroom. [REDACTED] then entered Agudelo's bedroom and returned to the living room area with a plastic bag. The Officers were able to observe from the living room area that [REDACTED] had removed the plastic bag from the bedroom closet, and that the bag had been removed from a jacket sleeve. The Officers were then able to closely observe that the contents of the bag were a white powder substance in block form. Based on their training and experience, they recognized the bag to contain cocaine. This bag was then seized and placed into evidence per departmental policy. Officers Bourret and Ramirez then secured the apartment, pending the granting of a search warrant for the address.

2. On 9-28-02, at 13:52 Hrs, Officer Jose Rivera (Car #5) was assisting Sgt. Barry Golner, on this incident, which occurred on 129 Westford Street, [REDACTED]. Sgt Golner was attempting to locate Raul Agudelo and arrest him based on the seizure of cocaine located at 129 Westford Street, [REDACTED]. The suspect, a Colombian national was believed to be at 11 Payne Street, an automobile dealership. Sgt Golner traveled to this location and observed Raul Agudelo's motor vehicle (a gray Buick Century, Ma. #2397ZL) parked on Payne Street. The Officers then walked to 11 Payne Street and observed a Spanish male, later identified as Carlos Colon, speaking to another Hispanic male in the lot. The Officers then asked Colon for positive identification. Colon produced a Mass. identification and a Puerto Rican identification. As Rivera spoke to Colon he noticed that he was not of Puerto Rican descent, but Columbian descent. At this time, Rivera believed that this was not his true identity and could have been Raul Agudelo. The officers then had the witness from [REDACTED], and come to 11 Payne Street to attempt an identification of this person. The witness then stated that this male, who supplied the name Carlos Colon, was a friend of Raul Agudelo. The Officers then asked Colon if Agudelo was inside the auto dealerships trailer and received confusing statements and untruths from Colon. Rivera then walked by the threshold of the trailer and observed a set of keys. Officer Rivera then checked these keys to Raul Agudelo's vehicle and learned that the set of keys fit the vehicle (gray Buick Century Ma. # 2397ZL). At this time, Officer Quinones and Rivera entered the trailer to look for Raul Agudelo. As they did the search for the suspect, Officer Rivera observed in plain view a clear plastic bag containing a tan substance, which through his training and experience, he recognized the substance to be raw heroin, which was located in an open cabinet. Rivera then notified Sgt Golner of the heroin and the above listed defendant that was then placed under arrest for the above listed charges. The heroin was tagged and placed into evidence along with \$1,505.00 U.S. currency, which was believed to be proceeds from illegal narcotics sales.
3. On 9-28-02, [REDACTED], who is the roommate of the 129 Westford Street cocaine trafficking suspect a Raul Agudelo, gave statements to Officers, which included a positive identification of his vehicle (Ma. 2397ZL 89 Buick Century Gray). [REDACTED] knew Agudelo to have an alias of Edwin Diaz. [REDACTED] further stated to

Officers that he believes that Agudelo had been deported from the United States in the past and then returned illegally. A check with the Massachusetts Registry yielded a registered owner as being an Edwin Diaz-Solis. Based on my past training and experience, I know that vehicles are commonly used by traffickers to transport illicit narcotics and to hide them. This, coupled with Colon's evasiveness regarding Agudelo, and any information regarding the Buick leads me to believe that Colon may have been motivated to misdirect attention from the vehicle for the reason that it may contain contraband or other incriminating evidence.

NARRATIVE: On September 28, 2002 at 1253 the complainant walked into the Highlands Apartment and asked if someone spoke Spanish. He was directed to me. I asked him what happened and he said that he believes that [redacted] roommate (suspect) is dealing drugs because he found a bag with white powder in [redacted] the (suspect) roommate's room. I informed Sgt. Golner. The complainant told me that he was suspicious of his roommate because he does not work, but he drives a car and helps pay the bills.

I asked him where he lived and he said 129 Westford St. [redacted] I asked him if he could show us what he found and he said "Yes". Sgt. Golner, Off. Bourret and [redacted] I went with the complainant to his apartment. We entered the apartment into the living room and we asked [redacted] to show us what he thought [redacted] the drugs. [redacted] entered his roommate's room and brought out a plastic bag. From our location in the living room we were able to observe [redacted] go into a closet and take out a jacket. He pulled out the bag from the sleeve of the jacket. We looked into the bag and it contained a large amount of powdery substance in block form. We recognized this to be cocaine. The bag was seized and tagged as evidence per department policy. The apartment was secured by Off. Bourret and I secured the apartment pending a search warrant.

Summary:

On 28 September 02, [REDACTED] came into the Highlands Precinct to report that he may have discovered drugs inside his apartment. [REDACTED] told Officer Jose Ramirez that his roommate did not work and has not been paying him rent. [REDACTED] told us that he was suspicious and had looked through his roommates' room. According to [REDACTED] he found a bag containing what he thought might be drugs in his roommates' room. [REDACTED] agreed to take us to the apartment and show us what he believed might be illegal drugs.

I responded to the apartment at #129 Westford Street along with [REDACTED], Officer Raymond Bourret and Officer Ramirez. Upon arrival, [REDACTED] took us into the apartment and to an unlocked bedroom to the left of a front room. [REDACTED] told us his bedroom was to the right. [REDACTED] opened the door, and pulled a blue/green/brown jacket from the closet. [REDACTED] then pulled a Levi's Bag (plastic multi-colored) from one of the jacket sleeves. Inside this bag he told me was the substance he thought might be drugs. [REDACTED] placed the bag on the bed, and I walked into the room to observe its contents. I observed numerous clear plastic bags containing a substance, which I recognized to be consistent with that of cocaine. A closer examination revealed seven large bags of the substance believed to be cocaine. All seven bags were consistent in size and shape. Through this Officers training and experience, I believed that there was in excess of 200 grams of cocaine in the bags. I seized the bag and jacket as evidence. I called for Detective Carlos Mercado to photograph the cocaine on the bed. The photograph was turned over to Sgt. James Trudel. The jacket and cocaine were transported to the Lowell Police Station and tagged as evidence. Detective Bryan McMahon was called and responded to take custody of the evidence. Sgt. Trudel was advised of the situation and advised he would have Detectives responding to apply for a search warrant. Officer Bourret and Ramirez remained at #129 Westford Street [REDACTED] to secure the apartment.

[REDACTED] told me that although his roommate was not present, he hangs out at a car lot off of School Street before the bridge. [REDACTED] told me that his roommate drives a grey vehicle and the plate number was [REDACTED]

2397ZL. A check on the registration revealed it came back to an Edwin Diaz-Solis. According to [REDACTED] his roommate was named Raul Agudelo a Columbian native who utilizes the aka Edwin Diaz-Solis. We believed that the address [REDACTED] was speaking of was Payne Street. I responded to the area and located the vehicle Massachusetts 2397ZL on Payne Street by #21. This was adjacent to a used car lot at #11 Payne. Officers Rivera Sr., Tetreault, Ferry and Quinones responded to assist. At #11 Payne, we located a Hispanic male who claimed to be from Puerto Rico. From our experience, Officer Rivera and I believed that the male was not telling the truth and was in fact from Columbia. The male identified himself as Carlos R. Colon. Subsequently a show-up was conducted with [REDACTED] and Colon with negative results. [REDACTED] advised that Colon was not his roommate, but was his roommate's good or best friend. Colon was not truthful about knowledge of the grey Buick and through investigation by Officer Rivera, this was confirmed. An amount of substance believed to be heroin was discovered in the car lots trailer and Colon placed under arrest for trafficking in heroin over 14 grams. Officers Ferry and Tetreault then secured number 11 Payne Street pending the application of a search warrant by the Vice/Narcotics Unit.

See related reports for details.

I had Detective Dillon take two Polaroid photographs of the cocaine. One is attached to this report and the other placed with the evidence.
